Step by step Instructions for the preparation and shipment of your materials to “IFOS 2026, 09-13.09.2026 - ISTANBUL / TÜRKİYE”

1. Please prepare all items you are planning to send to Istanbul.
2. Separate items to be consumed or given away during the exhibition and items to be returned after the event in two parts. These parts **MUST** be prepared as separate shipments under separate shipping documents.
3. For the temporary part (items to be returned) you should prepare a Carnet-ATA (which can be obtained from your local chamber of commerce). You will see on the cover page of Carnet-ATA three important fields. These Must be filled as follows:
 - Field A : Exhibitors name.
 - Field B : ExpoLOGIST Ltd. Sti., c/o “Shipper/Exhibitor Name”
 - Field C : “Event Name & dates, / TURKEY”
4. For the Permanent part (Consumables & give-away, brochures) you should prepare a commercial invoice (NOT Pro-Forma) like the sample you have from ExpoLOGIST.
5. All samples or give-aways **MUST** be labeled or printed-on with an indication like “give-away/sample, for the IFOS 2026 Congress”.
6. You should 100% be sure to pack these (temporary and permanent) parts separately as they must be customs inspected and cleared separately.
7. Do not include anything like food, food ingredients, health care products, cosmetics, medicine, tobacco, alcohol or such items in your shipment.
8. Do not include any consumables, give-away or brochures in your temporary shipment.
9. **DO NOT DISPATCH YOUR SHIPMENT BEFORE GETTING IN TOUCH WITH ExpoLOGIST Team** and getting their approval for your documents!
10. **Please note that also carrier shipments are subject to customs examination and are usually getting stuck in the customs. Therefore a correct preparation is also mandatory for carrier shipments!**
11. For further details please refer to the ExpoLOGIST Instructions and guidelines.
